

# La Habra Bikeway Master Plan Update Workshop #1

## Vision, Goals, & Existing Conditions

The purpose of the workshop is to listen to the needs and opportunities expressed by City residents, business owners, and other key stakeholders so we can collaboratively update the La Habra Bikeway Master Plan.

The first public workshop will include a series of stations which will provide an overview of the process, existing conditions, and preliminary bikeway network map.

You are cordially invited to participate in this first public workshop, which will occur:

Wednesday, November 5, 2014

6:00 pm

La Habra Community Center

Grand Ballroom
